

# Indigenous Youth Robotics Program

Start building now to prepare for

## Robotics Powwow/Tournament May 11, 2019

IndigeSTEAM, in partnership with FIRST Robotics Society of Western Canada and Stantec, are pleased to bring you an opportunity for Indigenous youth in Calgary for 2019.

There will be three ways for Indigenous youth ages 9 - 15 to participate with their robots:

- Drumming and/or Dancing
- FIRST Lego League (FLL) tournament "Into Orbit" challenge
- Design-your-own-robot demonstration

### Attend robots building workshops at The Native Centre, University of Calgary

- Saturdays or Sundays from March 16 to May 3 (day will be determined by registration)
- Robot kits supplied by IndigeSTEAM
- Coaching and mentoring by IndigeSTEAM mentors and UofC students

### Attend the Powwow / Tournament

- Stantec is hosting our robotics powwow/tournament at their Calgary office location, 325 25th Street SE in their lobby and Innovation Centre on Saturday, May 11, 2019.

**NOT COST TO REGISTER: to register for the program, visit our website at [indigesteam.ca](http://indigesteam.ca)**

Contact us at [info@indigesteam.ca](mailto:info@indigesteam.ca) or visit [indigesteam.ca](http://indigesteam.ca). Talk with us at 403-616-4474 (Wendy).
